

# ICE Europe 2020

The Netherlands, Belgium, France

February Enrichment Week  
23rd Feb - 29th Feb

**The ICE Europe programme at Cardiff Sixth Form College allows GCSE students the opportunity to partake Cultural and Educational experiences**

## European Cities

The opportunity to visit Amsterdam, Brussels and Paris.

## Cultural Awareness and interaction

Mixing with and meeting people of different nationalities, social backgrounds, employment fields and experience bases allows for a greater understanding of equality and opportunity globally.

## Personal Development

Expanding horizons, challenging opportunities and performing outside your 'comfort zone' leads to increased confidence, maturity and personal awareness.

## Entertainment

Alongside cultural and educational opportunities there will be leisure activities in each city visited.
