Admissions Information Booklet
How to apply

Join our School Community

Choosing where your child starts their senior school journey is such an important decision, both for them and for you as a parent. At Eaton Square Mayfair, we hope to make this choice as easy as possible for you. This booklet outlines the simple steps towards securing a place at our School. Do come and visit us to get a feel for school life and to meet our pupils and teaching staff. A warm welcome always awaits you.

There are two main entry points to the School, Year 7 (11+) and Year 9 (13+). Occasional places depend upon spaces in the relevant year group; please contact the Admissions Team for more information.

We fully understand that applying to senior schools can be a stressful time for the whole family. We have designed our assessment and interview process with this in mind; our aim is to ensure that we are the right school for your child. We are flexible enough to be able to assess pupils throughout the year so you can pick a time which works best for you.

We are pleased to offer a range of Scholarships at the School too. Scholarship areas include: Academic, Creative Arts, Sport and All-Rounder. Our Scholarship Programme encourages and rewards Scholars for their attitudes to learning and for their proactive approach to life here as a whole. Please ask about these when you apply to the School.

We hope that you find this information useful when applying to Eaton Square Mayfair. If you have any questions about any aspect of the process, please just email the team at registrar@eatonsquaremayfair.com

STEP 3: ENTRANCE ASSESSMENTS

All prospective pupils (including 11+ and 13+) wishing to be considered for a place at Eaton Square Mayfair will complete an online Cognitive Abilities Test (CAT4). This test is designed to give us a broad and rounded view of each prospective pupil, their potential and how they learn. The test tasks involve Non-Verbal Reasoning (thinking about shapes and patterns), Verbal Reasoning (understanding of words), and Quantitative Reasoning (understanding of numbers).

We publish our assessment dates well in advance and these can be found on our website. Parents can choose which assessment date to attend on a first-come, first-served basis. We have a limited number of places to ensure that the process is not overwhelming for pupils and so that we have time to really get to know your child.

All assessments will be taken at Eaton Square Mayfair, and will be administered by the Admissions Team.

International pupils who are unable to attend on the above dates may be able to sit assessments at their current school and be interviewed via Zoom. Please contact the Registrar for further information at registrar@eatonsquaremayfair.com

Assessment Interviews

Prospective pupils will be interviewed by a member of the Senior Management Team or Head of Year 7 on the day that they attend their assessment, in order to get to know the child and their interests. Pupils will be encouraged to discuss their experiences and their strengths, and to share their points of view. All interviews take place on the same day as the CAT4 assessment.
