THE INSTITUTE OF
EDUCATION

The Institute of Education is Ireland's largest and most successful 6th form college providing a pathway to top universities in Ireland, the UK and worldwide. Founded in 1969, with over 50 years of educational excellence, the school is located in the centre of Dublin - a small, safe and friendly city.

We have an exceptional team of 65 teachers, many of whom are also state examiners or authors of academic textbooks.

University Progression

Our international students have an impressive record of achievement. Our alumni are pursuing careers in medicine, dentistry, pharmacy, engineering, law, computer science and business all over the world. The Institute of Education provides comprehensive support to every student as they apply for their chosen programmes in the worlds prestigious universities. We have unrivalled university preparation and support.

Every student is supported through:

- One to one career advice on university and course selection.
- Preparation for the UCAS application and direct application to Universities worldwide.
- Individual assistance as they write their personal statements and resumes.
- Help collating academic references, predicated grades and academic transcripts.
- Direct supervision of every university application submitted.
- Personal preparation sessions for university admission interviews.
- Advice and guidance on results day, and throughout the transition from The Institute of Education to the students' chosen university.
