WORLD CLASS CAREER PREPARATION

Since 2012, InvestIN has been equipping students from around the world with an immersive experience of their dream career. We offer teenagers the opportunity to gain hands-on, practical industry experience alongside leading professionals, so that they can choose the right career for them and maximise their potential.

Co-Founders Hitesh Chowdhry and Shameer Thobhani were former professionals in corporate law and investment banking respectively. Their inspiration stems from the opportunity to better bridge the gap between school and industry, by providing students with a realistic insight into their own industries. Today, InvestIN delivers programmes across 15+ different careers, including medicine, engineering, architecture, entrepreneurship and much more.

Based in London, we have welcomed over 50,000 students from across the UK and 100+ other countries. We are the go-to global provider delivering fully-practical and professional-led career experiences for school students and we are committed to fostering career confidence in every student who joins us.

THE ULTIMATE WORK EXPERIENCE

InvestIN delivers experiential career programmes for students aged 12-14 and students aged 15-18. With 15 desirable and competitive careers to choose from, each programme is designed and delivered by accomplished industry experts to equip students with a 360-degree insight into their respective fields. Each programme seeks to equip students with what we consider to be the four pillars of career success:

We equip students with expert knowledge about their desired industry from trusted professionals, so that they can make informed decisions about their future careers.

We give students a competitive advantage in the race for top jobs, through innovative career coaching.

We enable students to experience a profession first-hand, through our immersive career simulations and site visits to industry headquarters.

We provide students with exposure to a wide range of highly accomplished industry professionals, so they can kickstart their professional network.

Programmes take place throughout the year. Students can attend a 1-day weekend career masterclass during the autumn or spring terms, either in-person in London or live online. Our flagship Summer Experiences offer a truly comprehensive, residential experience for students looking to unlock their career potential during the summer holidays.

Based on-campus at the prestigious University College London (UCL), InvestIN provides teenagers with both an experience of life beyond school, as well as world-class career preparation in central London.

WHY CHOOSE US?

- Work with top industry professionals from a range of backgrounds and specialisms.
- Experience interactive career simulations, typical of the work professionals carry out on a day-to-day basis.
- Visit prestigious and exclusive professional venues, such as company headquarters.
- Participate in live Q&A sessions and networking events to get your burning questions answered by experts.
- Receive industry-specific career coaching on the top professional skills employers look for today and how to stand-out in the application process.
- Gain a personalised certificate and industry reference letter to boost university and job applications.
- Meet like-minded students from around the world and develop key employability skills in a professional environment.

The course opened my eyes to the duties of a doctor, the skills they need and helped towards my interviews for university.

— Former student, The Young Doctor Summer Experience

OUR IMPACT

We exist to help students make better informed decisions about their future careers. Attending an InvestIN programme provides students with an opportunity to refer to lived experience of their dream career during the application process for university and in future job interviews.

We asked nearly 600 alumni students who attended InvestIN programmes between 2019-2021 where they are now...

80% of respondents said that our programmes helped them decide what career to pursue.

78% referenced InvestIN in their university application. Three quarters of those students received a place at their first choice university.

Two thirds of students said our programmes gave them the knowledge and the skills they needed to succeed in their future career.

InvestIN is listed as an official activity provider on the UCAS application form.

“The programme helped me better understand the concepts behind Computer Science, which has in turn helped me in my studies at Cambridge University and by extension, my entire career journey.”

Former student,
The Young Computer Scientist Programme

“The programme helped me understand the pathways and the route I wanted to take into banking. I now work at JP Morgan on their apprentice programme.”

Former student,
The Young Investment Banker Programme

“InvestIN gave me a competitive advantage over other applicants when applying to university, leading to 5 successful offers.”

Former student,
The Young Psychologist Programme

I did the InvestIN Programmes in 2014 & 2016 as a student and am now a frequent guest speaker.

The programmes were both fantastic experiences which helped me greatly in entering a career in Investment Banking. It is a pleasure to return as a guest speaker and I aim to help as many students as possible in achieving their dream career.

Micheal Truckle, Analyst

TEST-DRIVE YOUR DREAM CAREER

On our programmes, students get to step into the shoes of a professional from their dream career.

Design a business strategy & brand, and pitch your business idea to professional investors on the Young Entrepreneur Summer Experience.

Shadow doctors on a simulated ward round at a London teaching hospital on the Young Doctor Summer Experience.

Explore a Boeing 747 jet alongside aerospace engineers at an airfield on the Young Engineer Summer Experience.

Argue a Human Rights case in London's Supreme Court on the Young Lawyer Summer Experience.

"I loved the InvestIN Young Psychologist Summer Experience. I learnt so many interesting things about the field I aspire to study at university and I met incredible people. It was truly one of the best experiences of my life."

Former student,
The Young Psychologist Summer Experience 2022

"One of the best things I've ever done - the Young Vet Summer Experience was really helpful, engaging and fun. I would really recommend it if you're looking for help with getting into vet school."

Former student,
The Young Vet Summer Experience 2023

"I sent my son on the Young Architect Weekend. He was so delighted with it! Architecture is not an easy course to get into so he was so thrilled to get this invaluable experience. He loved every minute."

Parent of a student,
The Young Architect Weekend 2023

OUR LOCATIONS

On our programmes, we seek to create an environment that empowers young people to feel and act like young professionals.

Based on-campus at the prestigious University College London (UCL), InvestIN provides teenagers with both an experience of life beyond school, as well as world-class career preparation in central London.

Our Summer Experiences feature exclusive visits and experience days to iconic industry landmarks, such as business headquarters and training facilities.

HIGHLIGHTS INCLUDE:

- ENGINEERING** — Take apart a petrol engine at the largest collection of supercars in the UK
- PSYCHOLOGY** — Visit a Premier League stadium to practise innovative psychological techniques used to coach elite athletes
- FILMMAKING** — Explore iconic film sets and studio spaces to create their own film scenes
- ART** — Sketch the London skyline from an exclusive space at the Tate Modern
- MEDICINE** — Visit a London training hospital to participate in a simulated ward round to treat patients

OUR PROFESSIONALS

On our programmes, industry professionals coach our students, so that they can gain insider knowledge and experience of what it's really like to work in their dream career, from those who live and breathe it.

Key qualities of our programme professionals:

- Passionate and inspirational speakers ○
- Encouraging and supportive programme facilitators ○
- Variety in the stage of their career and the pathway taken to break in ○
- Highly knowledgeable and experienced in their fields ○
- Wide-ranging backgrounds and specialisms ○

View more of our professionals

On our programmes, students will work alongside our industry experts, who will guide them through immersive career simulations and site visits to key industry locations, so that students can gain hands-on experience of the work professionals typically carry out on a day-to-day basis. Students will also have ample opportunity to get their burning questions answered, by attending live Q&A panels and private networking sessions with our professionals.

SUMMER EXPERIENCES

Our flagship Summer Experiences offer students a truly comprehensive, 360-degree experience of their dream career. Over the course of up to 2 weeks, students will be coached by leading industry professionals through a wide range of specialisms, featuring hands-on simulations, visits to professional firms, experience days at iconic London sites, private networking opportunities and much more.

LENGTH — 1-Week | 25 hours

Industry deep-dive: students are coached by top professionals on the core knowledge and theory within their desired career.

Includes:

- Follow-up assessment & digital certificate

2-Weeks | 50 hours

In the field: students apply that knowledge in a range of immersive simulations and site visits, exploring a variety of specialisms.

Added benefits:

- Assessment centre & paper certificate
- Industry reference letter
- Graduation ceremony

2-Week Premium | 65 hours [Available for Ages 15-18 only]

The ultimate career experience, featuring an extra 15 hours with industry experts and a professional development portfolio to kickstart students' future careers.

- CV-writing masterclass
- LinkedIn workshop & professional headshots
- Psychometric testing & personality profiling
- Leadership, teamwork & strategy coaching
- Keynote speeches from successful leaders & networking reception
- Gala dinner with professionals on the River Thames

Premium activities take place over the weekend between Week 1 and Week 2, with the Gala dinner taking place on the penultimate evening.

DATES — July & August 2024, see page 15

LOCATION — Based at UCL Campus, London

RESIDENTIAL [OPTIONAL] — Accommodation, meals & guardianship available to book at UCL Halls of Residence. Airport transfers are also available.

AmbitionX is a revolutionary online careers platform designed to support you through every stage of your career journey.

Upon registering for any InvestIN programme, students receive one year of complimentary access to AmbitionX, where they can continue their career experience, by registering for unlimited Live Online masterclasses and monthly evening workshops free of charge.

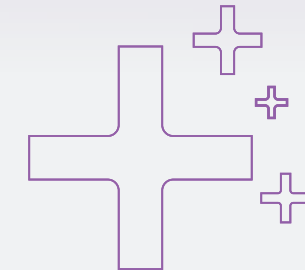

Unlimited Access

Get access to our entire catalogue of live online weekend masterclasses. Choose from 15 exciting industries.

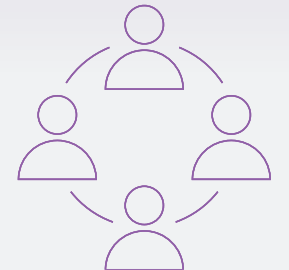

Bespoke Content

Attend monthly evening webinars on a range of employability skills.

Experience Points

Gain 'XP' as you complete programmes and boost your employability. Compete with your peers and race to the top of the leaderboard!

A Virtual Network

Connect with industry-leading experts and build your professional network.

“Now I've been on an InvestIN programme, I know what I want to do forever.”

RESIDENTIAL PACKAGE: LIVE ON-CAMPUS IN CENTRAL LONDON

Summer Experience students can choose to book our residential package, providing a unique opportunity to experience life on-campus in halls of residence at a top university. Typically, students stay at The Garden Halls or College Hall, based in the heart of Bloomsbury, London.

RESIDENTIAL PACKAGE

6 nights of accommodation (1-Week Programme) or 13 nights of accommodation (2-Week Programme) - checkout the day before the programme begins and the day after the programme ends

Private single rooms

Breakfast & dinner at the on-site canteen

Lunch vouchers to spend at Waitrose

24/7 Safeguarding & pastoral support and security desk

Evening & weekend social activities*

*Students attending our 2-Week Premium Summer Experience will attend enhanced professional and cultural activities in the evenings and over the weekend.

FACILITIES

The accommodation sites feature comfortable and spacious communal areas for students to enjoy outside of programme hours. There is a cinema screening room, a games room, courtyards and sports equipment available. There are laundry facilities available, as well as kitchenettes on each floor.

EVENING & WEEKEND ACTIVITIES

Each evening and over the weekend break, social and cultural activities are organised for residential students to enjoy so they can unwind and socialise with their peers. Activities range from active (e.g. sports day), lively (e.g. disco), chill (e.g. film night) and touristic (e.g. London sight-seeing & walking tours). A full social programme is provided to students when they receive their personalised timetables closer to the programme start date.

MEALS

Breakfast is a buffet service from 07:50-09:00 every day at the accommodation canteen. There is a choice of hot & cold food including cooked breakfast, cereals, pastries, yoghurts and fruit. Tea, coffee & juice is also included.

For lunch, students are provided with a Waitrose & Partners meal card to use at any Waitrose during the course of their Summer Experience. The closest Waitrose to the accommodation is within a 5-minute walk and there are many Waitrose sites located around central London, close to programme venues.

Dinner is served at the accommodation canteen between 17.30 - 19.30, serving a selection of hot meals, a range of side dishes, a salad bar, desserts and fruit.

Snacks will also be available in the accommodation for students to help themselves to, such as cereal bars, fruit and crisps.

OUR TEAM

- ADMISSIONS**
- Choosing a programme — Contact our team for a free careers consultation - help us help you choose the right programme for your career ambitions!
 - Our expert Student Experience team are on hand to support you throughout your journey with InvestIN.
 - Enrolment & payment — We will guide you through the booking process and answer any questions you have.
 - Pre-arrival — Receive updates from us on your programme timetable and materials.
 - Post-programme — We will send you your post-programme materials, invite you to complete a short follow-up assessment so you can receive your personalised certificate.

PROGRAMME DELIVERY

Our expert Programme Management and Operations teams work year-round on the organisation of our term-time and summer programmes. Programme content is delivered by industry professionals from the relevant career fields, supported by current university students.

SAFEGUARDING & PASTORAL

Our safeguarding and pastoral team (SPT) is made up of vetted, experienced professionals from safeguarding settings: education professionals/learning support assistants and safeguarding officers. During our Summer Experiences, students are supported by group leaders and the residential settings are overseen by centre managers, a 24/7 team of safeguarding officers and coordinators, as well as on-site specialist nurses.

I had an amazing experience with InvestIN, the staff were so friendly and great communication from the moment I booked the course all the way throughout.

SCHOOL PARTNERSHIPS

InvestIN is committed to equipping as many students as possible with the tools they need to choose their career and maximise their potential. InvestIN Partner Schools are the schools we work closely with in our efforts to achieve this.

Since 2012, we have built a network of over 1,000 Partner Schools across the UK and abroad. We work with a diverse range of schools to support their in-school careers programme, as well as providing training to teachers, parents and carers on today's job market and the best ways to be supporting their young people.

1,200+
Partner Schools

1,000+
Bursary places
awarded last year

Our Partner Schools have access to an array of cost-free benefits including:

- Regular careers resources, lesson plans & activities for students on key employability skills and trends in the job market
- Year-round discounts on our career experience programmes
- Online and in-school employability skills workshops
- Free events for teachers and parents on a wide range of industries, so they too are armed with current information on how students can break into competitive fields
- Termly teacher newsletters and reports

THE CAREER SCHOOL

This year, we have launched a ground-breaking initiative through The Career School, a unique opportunity for schools to co-create a comprehensive and bespoke careers curriculum with us for their students. This provides schools with year-round employability support, meticulously designed to equip students with the requisite skills and knowledge needed for career success, and is facilitated by a bespoke tech platform, with feedback and progression tracking. We also provide support for teacher and parent communities, to help them to encourage students to feel career-ready beyond the programme. For more information, please get in touch with schools@investin.org.

Working with InvestIN has been straightforward from the minute I got in contact with them. Introductory meetings and termly catch-ups have been helpful and information has been readily available for me to pass onto students.

Trinity Hall High School, Manchester

The increasingly broad range of careers offered and the flexibility of course length makes access attractive for students during their weekends and holidays.

St Olave's Grammar School, London

As a partner school, InvestIN has been a great resource to draw on. From attending our Careers Convention to talk to students individually to delivering sessions on topics like apprenticeships, work experience and networking... having a named contact to work with who is both professional and organised is wonderful and something I very much appreciate.

St Clare's, Oxford

INTERNATIONAL PARTNERSHIPS

InvestIN has relationships with educational consultancies from around the world, who share our objective of equipping students with a rounded pre-university experience. InvestIN provides a unique opportunity for international students to enter the careers space, as well as experience university campus life in central London, alongside other ambitious and likeminded UK and overseas students.

Contact our International Partnerships team today to find out more about our work with consultancies info@investin.org

INTERNATIONAL STUDENTS

To date, we have had students travel from over 100 different countries to experience their dream career in the heart of London. Our students often cite the opportunity to meet, work with and befriend a range of people from different backgrounds and cultures, as one of their highlights of their time with us. Our Summer Experiences are made up of approximately 50% UK students, 50% international, whilst our term-time weekend programmes are predominantly made up of UK students. Our programmes are delivered in English and we require a minimum B2 (CEFR) intermediate level of English.

InvestIN is accredited by the British Accreditation Council (BAC). Students who require a visa to enter the UK should obtain a Standard Visitor Visa (the same that is used by tourists) for "study at an accredited institution".

I went on the medicine InvestIN experience and it was absolutely amazing.

I went on the medicine InvestIN experience and it was absolutely amazing - it was incredibly useful in terms of next steps and how to get into medicine in the UK, as well as in regards to looking at all the different specialties. One of the most rewarding parts was meeting like-minded people from all over the world and the UK! I would absolutely recommend it for anyone!

HOW TO BOOK

Registering for an InvestIN programme is a simple and straightforward process.

- 1** Complete the enrolment form linked [here](#). Supply all the requested information and click 'submit'.
- 2** You will then receive an invoice for payment. Pay in full or for our Summer Experiences, you can secure your place by paying a holding deposit of £950.
- 3** You will promptly receive a programme confirmation email from us. If you have paid via deposit, the outstanding fees must be paid by 31st March 2024. Alternatively, you can contact us to receive an invoice.
- 4** You will be invited to complete a pre-arrival form ahead of the programme start date. This is so we can gather important information for your time with us, such as medical information, travel details and visa requirements.

www.investin.org

There is no official deadline to book, but places are highly limited and are allocated on a first-come, first-served basis. Secure your place by visiting our website www.investin.org today or contact our expert admissions team at info@investin.org or via + 44 (0) 203 488 5089.

ENROLMENT REQUIREMENTS

Subject Knowledge

Students do not require any prior industry knowledge or experience in order to attend an InvestIN programme. Our programmes are suited for students who are enthusiastic and passionate about their chosen career, whilst our professionals are here to coach students on everything they need to know!

Language Proficiency

Our programmes are delivered entirely in English and we require a minimum CEFR level of B2 (upper-intermediate) in order to attend.

Visas

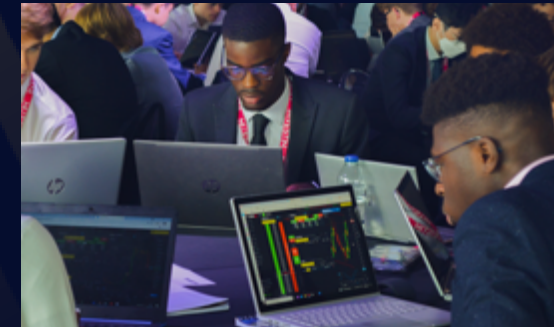

Students who require a visa to enter the UK should obtain a Standard Visitor Visa (the same that is used by tourists) for "study at an accredited institution". We can issue letters in support of visa applications once a student has registered for a place on a programme.
