

PREMIER SERVICE

Why Oxbridge Applications?

The Premier Service is what Oxbridge Applications is famous for; it is an invitation-only service in which the most promising applicants work with a dedicated Oxbridge-graduate study director to conduct a year-round programme of mentoring, tutoring, and applications preparation. With the highest offer rate of any equivalent programme worldwide, the Premier Service gives applicants the best possible chance of success in their UK university applications.

How does the Premier Service work and what does it include?

During their time with us, Premier Service students have a significant amount of hours of one-to-one support with subject specialists, all of which fit neatly around their existing commitments. A dedicated Study Director is appointed to closely oversee each student's progress and provide ongoing consultancy on every step of the application journey.

Premier Service students also have complete access to the Premier Portal, hosted by a state-of-the-art online platform, features an end-to-end guide on the application process and an extensive resource bank, as well as enrichment seminars. Students also benefit from Exclusive year-round events, including as our flagship Oxbridge Preparation Course, a residential weekend in which students meet like-minded applicants, engage in group workshops and one-to-one sessions, and perfect their admissions test and interview preparation.

“I JUST WANTED TO SAY THANK YOU FOR EVERYTHING YOU HAVE DONE TO HELP MY DAUGHTER. THE SERVICE HAS BEEN OUTSTANDING, EVERY SINGLE ASPECT OF IT. SHE HAS LEARNED LESSONS THAT WILL BE VALUABLE AND LONG LASTING, WHATEVER THE OUTCOME OF THE CAMBRIDGE APPLICATION, AND HAS IGNITED AN EVEN GREATER PASSION THAN SHE HAD TO BEGIN WITH.”

COURSE SELECTION AND TASTER SESSIONS

30-minute “taster sessions” in each of the subjects students are considering, conducted by an Oxbridge graduate of that subject.

MENTORING

A student's main academic contact throughout the programme, mentors deliver sessions designed to emulate the tutorials or supervisions they might receive at Oxford or Cambridge.

ADMISSIONS TEST TUITION

Students receive eight hours of one-to-one admissions test preparation, supplemented by our in-house catalogue of mock tests and workbooks.

PERSONAL STATEMENT SUPPORT

The student's Study Director, academic mentor, and the Premier Service team work together on 5-7 drafts of the Personal Statement with the student to make sure it's showing the applicant at their full potential.

COLLEGE SELECTION

Study Directors guide students through the best choice of college for them personally, using both the student's preferences and statistics to inform their decision.

ADMISSIONS TUTOR INTERVIEW PREPARATION

Students receive four hours of communication-focused sessions with a former Oxbridge admissions tutor, giving them an in-depth understanding of what tutors are looking for.

FURTHER MOCK INTERVIEWS

In their final stretch with us, students receive four additional one-to-one hours of mock interview practice with four different Oxbridge-graduate subject specialists.
